

DAY OF SERVICE PREP CHECKLIST

A few simple steps before we arrive keep your appointment on schedule, protect your property, and help our crew deliver the best possible result.

1 CLEAR THE WORK AREA

Before our arrival, please remove everything from the service area — **vehicles**, furniture, doormats, potted plants, decorations, and anything you don't want exposed to water or cleaning solutions.

Our team **does not move items** in the work area. Anything left behind may result in an unprepared job site determination.

2 SITE ACCESS & PARKING

Our crew and equipment need clear, unobstructed access to the work area:

- Unlock all gates and entry points to the work zone
- Our trailer needs about **40 feet** of clear parking near the site
- Tell us in advance if water access is locked or requires a key
- Driveways, parking stalls, and lots being cleaned must be free of vehicles

To prevent damage, we **will not clean around vehicles** left on driveways, in parking stalls, or in garages — those areas will be skipped.

3 PROTECT ELECTRONICS

For building wash services, please remove or cover exterior electronics:

- Doorbells and cameras
- Outdoor speakers and WiFi equipment
- Any other sensitive devices

Prefer to leave them in place? Let us know and we'll avoid those areas.

4 SECURE YOUR PROPERTY

- Close all windows for the duration of service
- Please notify all tenants, employees of the property about the scheduled service
- Keep pets in a safe area away from the work zone
- Clear any pet or human waste from the work zone

WE OFTEN ARRIVE EARLY

Please have everything on this list ready by your scheduled appointment time. We are prompt, and we ask the same of our customers.

5 PAYMENT INFORMATION

RESIDENTIAL

If no one aged 18 or older will be present during service, payment must be completed beforehand.

COMMERCIAL

Payment is required prior to service, unless a specific arrangement has been made with us in advance.

For both residential and commercial jobs, **you do not need to be onsite as long as payment has been made.** You'll receive a digital invoice a few days before your appointment with convenient online payment options.

6 SCHEDULING NOTICE

Please do not schedule other contractors during your appointment window. Safety is our main concern and we want to avoid additional people in the work zone. Overlapping services prevent us from working efficiently and will result in:

- Cancellation of service for that day
- An unprepared job site fee

UNPREPARED JOB SITE FEES

\$75 Residential properties **\$300** Commercial properties

Fees apply when the work area has not been prepared as described in this checklist.

Thank you for choosing NW Pressure Washing Service. A prepared site means a faster, safer, better clean – we appreciate your help getting ready.

HAVE QUESTIONS?

We're happy to walk through anything on this list with you.
